You may apply to have previous courses, formal qualifications, knowledge, work experience and/or life experiences assessed for credit or exemption towards this course. Please contact us for more information.

Entry requirements
Overseas students need to be 18 years of age and must show proof of their English language proficiency. Minimum requirement is IELTS score of 5.5 or equivalent. Students must complete a study skills assessment for basic literacy and numeracy. All students must satisfy police and working with children or working with vulnerable people checks.

Work placement
We arrange for our students studying on campus to undertake work placement in a registered education and care service. Work placement for both our day and evening program consists of: 3 days per week in 16 work placement weeks over the duration of the course. Total 48 days and 384 hours. NB: There are no classes during work placement weeks.

Training and assessment methods
CHC30113 Certificate III in Early Childhood Education and Care on campus training involves a combination of classroom learning, resource development, online learning, practical sessions, research and project work plus work placement in a registered education and care service. MEGT Institute utilises a range of assessment methods including a combination of skills demonstration, written reports, work samples, question and discussions and projects for the assessment of competency.
