Recognition of Prior Learning (RPL)

Recognition of Prior Learning (RPL) is a process where a student may be granted credit or partial credit towards a qualification in recognition of skills and knowledge gained through work experience, life experience and/or formal training. MEGT Institute offers all students the opportunity to apply for Skills Recognition at enrolment in the course.

Entry requirements

Students must complete a study skills assessment for basic literacy and numeracy. You need to have completed Year 10 at an Australian school or an equivalent level of schooling. Students will be required to complete the Construction Induction White Card as a separate course.

Training and assessment Methods

Students receive access to engaging, interactive course content and coaching and mentoring by a qualified MEGT Institute facilitator. A combination of assessment tasks including written reports, skills tests and projects will be utilised for assessment. We also value the role of the workplace in the assessment process and ask supervisors to provide feedback on the students’ abilities via an easy to complete third party report.
