### Recognition of Prior Learning (RPL)

You may apply to have previous courses, formal qualifications, knowledge, work experience and/or life experiences assessed for credit or exemption towards this course.

### Entry requirements

Overseas students need to be 18 years of age and must show proof of their English language proficiency. Minimum requirement is IELTS score of 5.5 or equivalent. All students must complete a study skills assessment for basic literacy and numeracy. All students must satisfy police and working with children or working with vulnerable people checks.

### Work placement

We arrange for our Certificate III students studying on-campus to undertake work placement in a registered education and care service. This consists of 3 x 2 week blocks work placement.

### Training and assessment methods

On campus training involves a combination of classroom learning, resource development, online learning, practical sessions, research and project work plus work placement in a registered education and care service. MEGT Institute utilises a range of assessment methods including a combination of skills demonstration, written reports, work samples, question and discussions and projects for the assessment of competency.

### Pathways from this qualification

Upon successful completion of the CHC30113 Certificate III in Early Childhood Education and Care, students may gain employment in the Children’s Services industry or enrol in the CHC50113 Diploma of Early Childhood Education and Care.
