Our workshop ‘Ensure team effectiveness’ is one of a series of Diploma of Management workshops to develop your leadership and management skills.

This workshop covers the skills and knowledge required to facilitate all aspects of teamwork within the organisation. It involves taking a leadership role in the development of team plans, leading and facilitating teamwork and actively engaging with the management of the organisation.

**Learning outcomes**

- Types of teams
- Establishing team performance plans
- Stages of team development
- Managerial roles that support teams

**Fees and funding**

For the latest information on our course fees please visit our website [megtinstitute.edu.au/fees](http://megtinstitute.edu.au/fees).
